REFUND POLICY

STUDENT'S RIGHT TO CANCEL

The program in which you are enrolling is done through distance education and is not offered in real time. Springboard will transmit the first lesson and materials to you no later than the start date of the program listed on page one (1) of this agreement.

If Springboard transmits the balance of the material as the student requests, Springboard shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquiries, student and faculty interaction, and evaluation and comment on lessons submitted by the student.

You have the right to cancel the agreement for a program of instruction, without any penalty or obligations, and receive a full refund on the amount paid, through the seventh calendar day as of the start date of the program listed on page one (1) of this agreement. Cancellation of this agreement can occur up to 7 days from Program Start Date.

In order to cancel, you must send an email to support@springboard.com. Cancellation is effective on the date your email is sent successfully. Refunds will be paid within 45 calendar days of cancellation.

WITHDRAWAL FROM THE PROGRAM

You may withdraw from the school after the cancellation period described above, and receive a pro rata refund. In order to request a withdrawal, you must send an email to support@springboard.com

For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the date of receipt of the written notice of withdrawal. Refunds will be paid within 45 calendar days of withdrawal. The amount owed equals the tuition amount, minus any non-refundable fees, divided by the number of months in the program, then multiplied by the student's number of completed months (including the hours included in any lessons already sent to the student).

For distance education students scheduled days are based on a five-day week, which do not include Saturdays or Sundays, or any defined holiday as enumerated in Section 6700 of the California Government Code (specific holidays published in the catalog).

REFUND OF LOANS

If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. If the student has received federal student financial aid funds, the student is entitled to a refund of money not paid from federal student financial aid program funds. Springboard does not participate in Title IV financial aid programs.

UNDERSTANDINGS

1. **Location of Instruction:** Distance education means the coursework is completed at a location determined by the student.
2. **Distance Education Equipment Requirements:** Computer, Internet Connection, Browser, and a Skype account.
3. **Certificate:** A certificate of completion will be awarded upon the student's completion of all program requirements.
4. **Enrolment Agreement:** Springboard does not offer visa services to prospective students from other countries. Springboard does not provide English language services. All instruction occurs in English. English language proficiency is determined by successfully completing all admission requirements. If a student is accepted for admissions based on documented English skills and his or her primary language is not English, the student has the right to obtain a clear explanation of the terms and conditions and all cancellation and refund policies in their primary

language by a translation service of his or her choosing prior to execution of the enrollment agreement. Any fees related to translation are the responsibility of the student.

5. **NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION:** The transferability of credits you earn at Springboard is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the certificate you earn in the Data Science Career Track - Foundations to Core program is also at the complete discretion of the institution to which you may seek to transfer. If the credits or certificate that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Springboard to determine if your certificate will transfer.
6. **Catalog:** Information about Springboard is published in a Catalog that contains a description of certain policies, procedures, and other information about the school. Springboard reserves the right to change any provision of the Catalog at any time. Notice of changes will be communicated in a revised Catalog, an addendum or supplement to the catalog, or other written format. Students are expected to read and be familiar with the information contained in the Catalog, including any revisions, supplements, and addenda to the Catalog, and also be familiar with all of Springboard's policies. By executing this Enrollment Agreement, you agree to abide by the terms stated in the Catalog and by all school policies.
7. **The Springboard Guarantee:** We are committed to your success and will support you fully in the transition into a career. We back our commitment with the "Springboard Guarantee." Subject to our Terms, we will refund 100% of your paid tuition if you are not offered a Qualifying Position (as defined in our Terms) within the Guarantee Period of receiving a Career Track certificate of completion. All terms and eligibility requirements for the Springboard Guarantee are outlined in our Catalog (the "Terms").

A career transition involves focused, consistent effort. We put in this effort to help you make that transition and ask for an equal commitment from you. Specifically, you must satisfy our requirements in order to be eligible for the Springboard Guarantee. If these requirements are not satisfied, you may still participate in the program and receive all of the advantages of career support, but you will not be eligible for the Springboard Guarantee tuition refund.

Springboard shall have the sole discretion to determine whether the Terms have been satisfied and whether you are eligible for a refund of your tuition. Likewise, Springboard may waive any breaches in its sole discretion. This provision and the Terms, along with the Springboard Terms of Service, set forth the entire understanding between you and Springboard with regard to the Springboard Guarantee. Any provision of the Terms that is unenforceable shall not impact the enforceability of any other provision.

8. **Loan:** If a student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: (1) the federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; and (2) the student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.
9. **Student Tuition Recovery Fund:** The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.
10. **Questions:** Any questions you may have regarding this Enrollment Agreement that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at 1747 North Market

Blvd., Suite 225, West Sacramento, CA 95834, P.O. Box 980818; www.bppe.ca.gov; telephone (888) 370-7589; fax (916) 263-1897.
